## **Queen of the Sacraments**

Revised Edition

*by*

*Fr. K. Mani Rajan*

- An expositive study of the rich liturgical heritage of the Syrian Orthodox Church.
- Emphasizes the scriptural basis of the Syrian Orthodox liturgy and faith.
- Provides an authentic interpretation of the symbolic meanings of liturgical rites, substantiated by citations from innumerable references.
- A valuable source book for both clergy and laity.
- An excellent reference for youth, especially those who have a meager understanding of the ancient liturgies of the Syrian Orthodox Church due to linguistic difficulties.
